**TOP ISO
CERTIFICATION
AND TRAINING
COMPANY
IN QATAR**

OUR PROCEDURE

1. GAP ANALYSIS

To identify how far the organization is from the ISO standard and recommend improvements.

2. DOCUMENTATION

Compulsory procedures will be included - in line with your current business procedures to perform complete documentation procedures

3. TRAINING

Complete ISO Training is provided, a quality team is designed and management review meeting is carried

4. STAGE 1 AUDIT

To check the standard implementation
All sections are audited
Recommendations are provided

5. CERTIFICATION AUDIT

Final audit will be carried after complete ISO implementation. Once all requirements are met at audit, we will present your certificate.

You will now be certified!
