INFINITY QUALITY SERVICES

WE EXIST TO BRING OUT THE BEST PERFORMANCE
IN OUR CLIENTS

We are a Qatar based company, with more than 10 years' experience in Quality management, health and safety training, and ISO certifications. As a trusted and professional quality provider, we deliver our passion through certification service and safety trainings. We provide ISO certifications and trainings that cover all quality and food safety needs. We are a team of HACCP & ISO certified professional trainers and auditors who ensure trainings, quality assurance, process improvement & Certification services are followed at highest Quality. Our head office is located in Doha (Qatar) and we are looking for fastest expansion all over the GCC countries. Our trust worthy services are reliable for execution and delivery as we have the know-how, industry experience and links in the food industry, and other industries to guide you with to the next level. We provide our trainings based on our simple core business philosophy of "the 3 S".

OUR VISION

Infinity quality services provides all ISO Certifications (Accredited by IAS IAF - International accreditation services –USA) and Training services (Accredited by High Field / RSPH / Local Qatar bodies). We have built a strong brand in Doha for our holistic approach to Quality Management Systems, And providing services at the most affordable rates within the least time duration.

OUR MISSION

Infinity Quality Services aims to maintain its prominent position in Qatar for its quality, 24/7 assistance, low cost and fast delivery service. We provide all kinds of ISO certifications and Training programs with consultancy in Doha, Qatar.

OUR VALUES

We believe that challenging the status quo in a changing world demands innovative thinking and a dedication to growth.

CERTIFICATION PROCESS

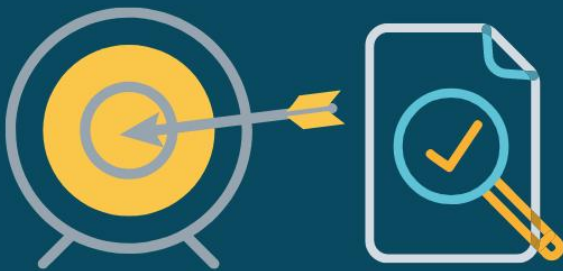

The Brief

Client briefs us of what they want and need. Project timelines are being set and a detailed study and analysis of the company's existing operations.

Documentation

Compulsory procedures will be included - in line with your current business procedures to perform complete documentation procedures

Certification & Audit

Final audit will be carried after complete ISO implementation. Once all requirements are met at audit, we will present your certificate

STEP
01

Gap Analysis

Our team gathers all the company's current performance, documentation and records to identify the risks, missing documents & manuals, key actions and quality system

STEP
02

STEP
03

Training

Complete ISO Training is provided, a quality team is designed and Management review meeting is carried

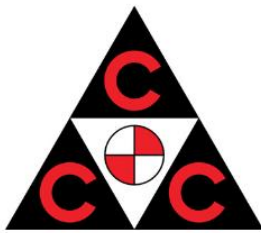

STEP
04

STEP
05

**You will now be
Certified!**
